

## REGISTRATION NEWS JULY 2009

### **DNA DNA DNA DNA DNA DNA DNA**

We are at the end of another breeding season and would like to remind breeders to submit their stallion's covering certificates before 31 July 2009.

We here request breeders to make use of an envelope instead of a plastic bag to submit DNA samples. The plastic causes the hair to become static and makes it very difficult to handle.

All breeding animals will be required to have a DNA test done by 2012. The current price for DNA Tests is R150 per animal. Please contact Don Cropper on 082 464 3508 to arrange your animals tests.

### REGISTRASIENUUS JULIE 2009

Ons is weereens aan die einde van nog 'n teëlseisoen en wil telers herinner om hul hingste se dekkingsertifikate in te stuur voor 31 Julie 2009.

Ons doen 'n beroep op telers om ten tye van registrasie die DNS monster in 'n koevert in plaas van 'n plastieksakkie te plaas. Die plastiek maak die hare staties en maak hantering baie moeilik.

Die sperdatum waarteen DNS toetse vir alle teëldiere gedoen moet wees is 2012. Kontak asb. vir Don Cropper op 082 464 3508 om u teëldiere se toetse te reël. Die koste hieraan verbonde is R150 per dier.
